

2016

Technology, Math & Literacy

July 4 - July 15

What Is It?

This is an engaging program for the 21st Century learner to support their math and literacy skills through technology.

What Is It About?

Using communication technology in the classroom proves to be a motivating and engaging venue that focuses on the key Literacy and Numeracy concepts in an enjoyable and interactive way.

Who Would Benefit?

Students who wish to reinforce their math and literacy skills in a technology enriched learning environment.

Locations: Cathedral High School and Catholic Elementary Schools throughout the Hamilton

Passport To Grade 9

August 29 - August 31

What Is It?

This comprehensive program focuses on preparing students in their transition to secondary school.

What Is It About?

This fully interactive program provides the tools for success. Topics include time management, study tips, exam prep and an orientation of their school's programs and go to staff.

Who Would Benefit?

Students wishing to ease their uneasiness, meet new friends and acquire the learning skills for success.

Locations: All Catholic Secondary Schools

Reach Ahead Integrated Arts Credit

July 4 - July 29

What Is It?

This program offers an appreciation for the Arts and an opportunity to earn their first secondary school credit.

What Is It About?

Students will create, perform, discuss, and analyse art and drama, and then reflect on the experiences to develop an understanding of themselves, the art form, and the world around them.

Who Would Benefit?

Students who want to develop their creativity, confidence, self-awareness, and a sense of well-being.

Locations: Bishop Ryan, Cathedral, St. Thomas More
